LEXINGTON, KENTUCKY, APRIL 8, 1915.

No. 28.

WILDCATS LOSE TO OHIOANS, 7 TO 5

Northerners, Aided By Umpire, Too Much For the Scrappy Wildcats

Ohio University with the aid of the umpire, succeeded in defeating the Wildcats in their first game of the season by the score of 7 to 5. The fourth and seventh were the fatal rounds for the Wildcats. In the fourth the Ohioans aggregated 3 runs and in the seventh captured 3 more when the umpire started it by calling a wide foul fair. Several times the Wildcats seemed likely to tie the score, but were unable to bring the boys over the pan.

First Round—Botts opened it with a roller to Reed who got him at first. Rogers fanned. Potts out, Thomas to Tuttle.

Wright got a hit over second and went to second on passed ball, but was caught off the bag by Hendrickson. Schraeder was safe on a scratch hit to Schaffer, which was too hot for him to handle. Crum hit through short, but Schraeder was out at home when Reed sent a rattler to Schaeffer. Jim Park struck out.

Second Round—F. Furstenwald flied out to Wright. R. Furstenwald out, Waters to Tuttle. McConnell got a Texas Leaguer. Schaeffer struck out.

Tuttle hit Hendrickson to Fuller. C. Park rolled a slow one to Potts. Waters hit a hot one to short and was safe on fumble. Thomas hit F. Furstenwald and forced Waters at second.

Third Round—Fuller hit over short. Hendrickson sacrificed. Bost doubled to left. Rogers fanned. Potts out, Waters to Tuttle.

Wright got a single through second, went to second on a wild pitch, and to third on a sacrifice fly by Schraeder. Crum fanned. Reed out. Hendrickson to Fuller.

Fourth Round—F. Furstenwald popped out to Waters. R. Furstenwald walked. McConnell struck out. Schaeffer singled to right. Fuller singled over second and Furstenwald and Schaeffer scored. Hendrickson safe when Thomas failed to touch first. Bost singled over third, scoring Fuller. Bost out trying to steal second.

Jim Park safe on over-throw. Squirrely safe on fumble. Curt Park hit to second. Squirrely forced out. Jim Park scored on sacrifice fly. Thomas out to pitcher.

Fifth Round—Rogers safe when Tuttle drops ball. Potts flies out to Waters. Rogers caught off first. E. Furstenwald singled to left. R. Furstenwald popped out to Waters.

Rasty hit out to pitcher. Schraeder singled over second. Crum gets a scratch to second. Reed out to pitcher. Jim Park safe on fumble by pitcher. Schraeder scores. Crum

(Continued on Page Four.)

WOLVERINES AND WILDCATS SATURDAY

Saturday afternoon the Wildcats will meet the Michigan Wolverines for their second game of the season. The Michigan nine is the fastest bunch that State will buck against this season and Saturday's fray should be an exhibition of first-class ball. The Northerners usually bring down a stronger team than the Wildcats, but if the Kentucky lads show the same class as they had in the Ohio game, they will make a strong showing for first honors.

The line-up for the Wildcats will be: C. Park, behind the bat; Sam Tuttle, at first; Waters, on the second cushion; Dutch Schraeder, at short, and Zobie Reed at the keystone sack. Captain Jimmy Park, Wright and Crum will be in the out gardens, while Server, Grubbs or Cisco will probably have first call for the mound.

STATISTICAL REPORT OF Y. M. C. A. WORK

Over Fifty Percent of the Men Enrolled in the University Are Members

A statistical report of some of the 1914-1915 activities of the State University Young Men's Christian Association as given out by the secretary, E. L. Hall, follow:

Three hundred and thirty-eight interviewed the secretaries on personal problems.

Four hundred and forty-six members—over 50 per cent of men enrolled.

Two hundred and sixty advertising bulletins posted for chapel and other religious service.

Thirty-six out-of-town delegates to State Officer & Cabinet Conference entertained March 12-14.

Seven committees rendered every conceivable service to new students during opening days of school.

Twelve hundred handbooks distributed.

Four thousand dollars in work secured by employment bureau.

Foreign students organized into Cosmopolitan Club.

Weekly "sermonettes" published in "Idea on down-to-the-minute moral issues.

Four life-work addresses presenting Christian callings.

Thirty-six men located in Community service work at Reform School, Associated Charities, night school, among negroes (including a night school for university janitors); orphans' homes, etc.

Two gospel teams conducted campaigns for Christian living, reaching hundreds of men and boys in two small towns during Christmas vacations.

One hundred and fifty-one decisions for aggressive Christian living resulted from university-wide evangelistic

MEMORIAL ON CAMPUS TO PRESIDENT BARKER

New Addition To Stoll Field Called "Barker Stadium" In His Honor

That the extension of Stoll Field will be called "Barker Stadium," as a memorial to President Henry S. Barker, was decided at a meeting of the Athletic Committee held last week. The committee were unanimously in favor of the plan and it is expected that a formal resolution to the effect will be made at a future meeting.

There is no memorial on the campus in honor of the president and in commenting on the fact, one of the members of the Athletic Committee said:

"President Barker has given much, even out of his personal funds for the betterment of the institution, and he has devoted special interest to athletics. His tireless energy and his steady devotion to every movement for making student life more pleasant needs some fitting recognition from the university and I think I speak the sentiments of every member of the committee when I say that the new gridiron should be named for the president."

The old Stoll Field which has been graded and leveled will still be known as such and will include the baseball diamond, running track and football practice field.

The new addition will be fenced in and kept separate from the other and will be used for football only. It will be kept sodded and in perfect shape for the 'Varsity games.

SPRING FOOTBALL PRACTICE FOR TEAM

The candidates for next season's football team were called out yesterday afternoon by Dr. J. J. Tigert, who is to coach next year's eleven, for some spring football practice. His principal object is to develop a quarterback and center, as there are none in the school at present.

Next year's schedule for the Cats is the hardest ever undertaken by a Blue and White team and Dr. Tigert says that if they expect to come out on top, a period of spring training is absolutely necessary.

Most of the team will be built up from the freshman squad of last fall, as only three of the 'Varsity men are sure to return.

campaign February 8-11 under Mercer and Rugh.

Two classes studying foreign missions and American social problems. Male quartet established.

Eighteen delegates attended fall training conference at Winchester.

Vocational guidance including scientific psychological tests conducted for individuals desiring to ascertain their fitness for life work.

STAFF SELECTED FOR GIRLS' ISSUE OF IDEA

Miss Florence Hughes, the editor-in-chief of the Girls' Issue of the Idea which will make its appearance May 6, announces that the staff for that issue will be as follows:

Editor-in-Chief, Miss Florence Hughes; Managing Editor, Miss Christine Hopkins; Assistant Editor, Miss Natalie Wood. The associate staff will be composed of Miss Mildred Taylor, mining; Miss Elizabeth Rodes, mechanical and electrical; Miss Esther Rider, exchange; Miss Jeannette Bell, old dormitory; Miss Rebecca Smith, society, and Miss Anita Crabbe, agriculture.

Dr. A. S. Mackenzie, dean of the Graduate School, delivered the first of a series of eight lectures on "Literature," to the Senior Mechanicals yesterday morning. The lectures will be given every Wednesday for the remainder of the semester.

COL. E. POLK JOHNSON TO ADDRESS STUDENTS

Noted Newspaper Man Accepts Invitation of Journalism Department

Colonel E. Polk Johnson, of Louisville, one of the most noted newspaper men of the South, and one of the most picturesque and entertaining speakers and writers in the profession, has accepted an invitation from the Department of Journalism of the University to deliver an address to the students in that work April 24 at 2:30 p. m. o'clock in the chapel.

While the address will be primarily for journalistic students and those contemplating the taking of that course, all students and instructors in the university are cordially invited to be present and hear this brilliant speaker.

Newspaper men of the city are also requested to be present and hear and renew acquaintance with Colonel Johnson.

M. C. REDWINE WINS ORATORICAL CONTEST

M. C. Redwine, of Sandy Hook, won the oratorical contest of the Prohibition League Wednesday morning and will represent the university in the Intercollegiate Prohibition Association contest, which will be held at Wilmore, Ky., in May. Mr. Redwine's subject was, "Who Pays the Bill?"

The other speakers were R. C. Apperson and W. J. Kallbrier. The judges were Mrs. Frances E. Beecham, Senator J. H. Tunis and Professor T. T. Jones.

The Transylvania University Women's Glee Club will give its annual concert Monday night, April 15, at 8 o'clock. The club will be under the direction of Professor W. E. Delcamp.

"CALL OF THE BLOOD" AT BEN ALI APRIL 13

Professor Noe's Dramatization of the Book of Esther By Canterbury Club

The poetic dramatization of the "Book of Esther," entitled the "Call of the Blood," written by Professor Noe, will be given at the Ben Ali Theater next Tuesday night, April 13 by the Canterbury Club and the "Strollers" of State University. Elaborate preparations are being made for the production of this play, which promises to be one of the best dramas ever given by any local organization in Lexington. The costuming will be furnished by Joseph C. Fisher, of Philadelphia, and some of the scenes will be spectacular and dramatic.

Miss Celia Gregor plays the part of Vashti, the deposed queen. Miss Gregor is well adapted to this part, having a queenly bearing and noble character. Everybody is familiar with the dramatic work of Miss Ina Darnall, who impersonates the Jewess, Queen Esther. Leo Sandman, under whose direction the play is being prepared, has the part of the Court Poet, Ahafid, and it is needless to say that this part will be well done. Franklin Corn in the part of Ahasuerus, Herbert Graham, playing the role of Premier Haman, Julius Wolfe in Mordecai the Jew and R. T. Taylor playing Meheuman, the chief chamberlain, will all contribute largely to the success of this play. William Shinnick, the Court Fool, has a part written especially for him and his antics and remarks will be worth the evening itself.

Zeresh, the wife of Haman, the Nemesis of the play, will be portrayed by Miss Katherine Mitchell. This character was developed by the writer to suit the dramatic genius of Miss Mitchell and will unquestionably be one of the most attractive things ever done by any amateur in Lexington.

The last scene in the play will be elaborate in its spectacular features and will have as many as thirty people on the stage in full costume. Every student in State University should arrange his work in such a way that he may witness this production.

The prices range from 25 cents to \$1.00, and seats will be on sale at the Ben Ali Theater Saturday.

KY. HIGH SCHOOL QUARTERLY ISSUED

The second issue of the Kentucky High School Quarterly, published quarterly by the Department of Education of the university has just appeared. It is edited by Professors J. T. C. Noe and G. M. Baker. The issue contains some very interesting articles by Professors John J. Tigert, Frank T. McFarland, Wm. E. Butt and Miss Esther Lee Rider, Miss Katherine Mitchell and Fred O. Mays.

"BUTCHERING THE QUEEN'S ENGLISH."

It is not an infrequent occurrence to hear a student, during a gentle conversation, use one or more words, which will never be recognized as belonging to any tongue. Every student that enters the university is supposed to have acquired some knowledge of English words and if this supposition is true, there is no doubt but that very little thought is put forth by the speaker. It is not to be expected that all will be laconic, which shows a moral want of refinement, but it is expected of university students that they should have skill and knowledge enough to use the proper words in writing and speaking. Not only do we continue to use incorrect words, but are so thoughtless as to employ old phrases, which are detested by those not acquainted with our colloquial code.

Those who know and use English words with sufficient conciseness are said to pass through a severe ordeal when confronted by "slang," pseudo words or improper English. It is to be hoped and expected that all will give more attention to these defects. They can be overcome only by the effort of the employer and when this is performed you may consider that another milestone along the rugged road to knowledge has been left in the rear.

* HUM OF THE GADFLY *

THE NEWS IN RIME.

Our U. S. dancing's "unrefined,"
So says an Iceland scholar;
He saw some of the modern steps
And then he made his "holler."
One hundred girls at Washington
Have donned their suits for bathing;
They jump "kersplash,"
Just like a flash,
And set the crowd a-raving.

At Miami the Glee Club boys
Are filling their spring booking;
All schools report that for their teams
The prospects fine are looking.
The "Reserve" team at Iowa State
Is given "Reserve" sweaters;
The Senior Class
Will soon, at last,
Receive their long sought letters.

"The college treasurer spent part of
last week, etc."—News item. It seems
to us that a treasurer ought to be able
to spend more than that.

A former yell leader of one of the
Western colleges is now a clerk in the
Senate, where he calls the roll. This
just goes to show that a college yell
leader can be of some use in the world
after all.

The burglar who entered a George-
town College student's room and got
half a dozen boxes of chewing gum,
must have thought he had entered a
young lady stenographer's room just
after her birthday.

Says the Georgia Technique:
"It is reported that nearly seventy
per cent of the colds of the Univer-
sity of California have flat feet. We
don't know who made the discovery,
or how he did it, but we confidently af-
firm that he was mean to tell.

The direful effects of the European
war are being felt everywhere, and,
from present indications, some of the
young hopefuls hereabouts will, like
unto some of the Georgia Tech. stu-
dents, join the army in June—the
army of the unemployed.

News that the timid young women
of the University of Chicago will be
provided with escorts on the college
campus in the evening is interesting
in that no mention is made of the non-
timid ones. Mayhaps they are sup-
posed to provide their own escorts.

A girl student of another college
sprained her ankle while trying the
steps in some of the late dances.
Verily, I say unto thee, it hath come
to pass even as it hath been predict-
ed; the "Bridge Strut" and the "Con-
crete Walk" are too much for some
people.

The Chemistry Department of Will-
iam Jewell College for the first time
in forty years has given a grade of
100 to a student in chemistry. Won't
some one please bring this to the at-
tention of "Mighty" and his retinue;
they ought to learn that such a grade
in chemistry really is possible.

The four students at Ohio State
who are going through college on ap-
proximately 10 cents a day are the

kind of students who do not know that
there are such things as Willard-
Johnson bouts or that Ladybird in the
third race is a sure thing and can't
fail to win.

The current William Jewell student
from which we copped the "chemistry"
item here given, was issued on yellow
paper and was known as "The Yellow
Jewell." It comes out as such once
a year and on second thought we've
concluded that the item in question
was a "fake"—the world's record of
"no 100's in chemistry," remains un-
blemished.

Joint Idea Board of Con-
trol meets Friday at noon in
chapel.

WHO'S WHO AT STATE

JAMES E. BYERS.

Any list of students who have "made
good" at State would be incomplete
without the name of James E. Byers,
Senior Civil.

"Jakie," as he is familiarly known,
lives in Carroll County. During his
four-years at State, "Jakie" has made
an enviable record, indeed. Not only
as a student, athlete and musician
has he been prominent, but his warm
friendship and cheerful personality
have earned him one of the largest
circles of friends and acquaintances
of any student in the university.

My Byers has been a member of
the Glee Club for three years. He was
a Varsity track athlete in '13 and '14
and a member of the gym team in '11
and '12. He is a member of the
Brooks Civil Engineering Society, the
Tau Beta Kappa fraternity, and on the
staff of the civil engineering publica-
tion, The Transit. He is a member
of the Delta Chi fraternity.

Personally, "Jakie" is liked by ev-
ery one. His democratic tastes cou-
pled with a sunny disposition and an
ever-present spirit of good fellowship
have been warmly appreciated and, to-
gether with his easy and graceful man-
ner and clever repartee, have added
to his social and personal popularity.
Whatever "Jakie" has done has been
done well. His welcome smile and
jolly "hello" will be sadly missed
around the campus. He has made a
record at State which gives every
promise of a successful career in the
future.

RALPH MORGAN GOES TO ELMENDORF DAIRY

Mr. Ralph R. Morgan, of Covington, Ky., a senior in the College of Agriculture, has just received the appointment of Bacteriologist at the Elmendorf Dairy, to succeed J. Paul La-Master, who leaves to take up a position in the Government service.

Mr. Morgan has already completed his course in the College of Agriculture, and will receive his diploma in June with the class of 1915. Ralph has been active in college athletics during his stay here, being a member of the Varsity basketball team three years and captain of this year's team. All his friends wish him luck.

HANLEY AND ROGERS GO TO INDIAN CREEK

Walter F. Hanley and G. C. Rogers, seniors in the College of Mines and Metallurgy, left last week for Indian Head to take up work in the Indian Creek Coal Company mines along the lines of their thesis work.

The mines have been operated at a loss for the last few years and these students will attempt to find out whether it is due to faulty engineering. Maps will be made of the interior and the exterior and the work will continue for about a month.

CREGOR NOW STATE DAIRY INSPECTOR

Mr. Minton Cregor, a student in the College of Agriculture, has been appointed to the position of State Dairy Inspector to succeed Mr. F. W. Worthington. Mr. Cregor, for the past two and a half years, has been in charge of the milk testing and dairy records of the Elmendorf Dairy. He was very highly recommended for the present position by Professors Hooper and Nichols, in whose department he was pursuing his major studies. Mr. Cregor will assume his new duties April 8.

"ABE" BEHRMAN VISITING HERE

A. S. ("Abe") Behrman, who graduated as a chemist last year, is spending a few days in Lexington as a guest of friends at the A. T. O. house. Abe has been teaching at the Sue Bennett Memorial School at London during the past year and has accepted a position as a Government chemist in the Philippines. He will leave in a short time to take this position.

WEEKLY PROGRAM AT "AG." SOCIETY

The Agricultural Society held its regular meeting Monday night with an interesting program, headed by Professor E. S. Good. Professor Good spoke on "The Requirements of an Animal Husbandryman." He suggested that the members of the Agricultural Society start a movement for the establishment of a livestock judging pavillion at the university.

Mr. A. C. Young gave an interesting talk on "The Immigrant Who Feels at Home," illustrating his discussion with examples of foreigners who have made wonderful successes in this country. June Lewis spoke on "The South and the 1915 Crop," emphasizing the need of the South for introducing diversified farming.

"AG." CLASS PLANTING TREES ON CAMPUS

During the past week the classes in dendrology, under Professor F. T. McFarland, have been engaged in planting trees on the campus. Each class has donated one or more trees and

each tree is being dedicated to some member of the faculty. The following trees have been planted: Scotch Pine, Austrian Pine, Siberian Arbor Vitae, American Arbor Vitae, Irish Juniper, Ginkgo, White Birch, Burr Oak, Weeping Willow, Cucumber Magnolia, Butter Nut, Pesam, Purple Leaf, Beech and Schwedler Maple.

A Pitcher Leafed Ash tree has just been received. This tree comes from the laboratory of Experimental Evolution at Cold Spring Harbor, Long Island, N. Y., and was sent by Dr. Shull to Professor McFarland. It was set out on the west side of the Administration Building by last fall's class in dendrology. This was the first class in dendrology organized at the university.

Much praise is due Professor McFarland for the great interest he has taken in this work for a more beautiful campus.

KY. CLUB IS COMING FROM UNIV. OF MICH.

The Kentucky Club of the University of Michigan will leave Ann Arbor Friday on a special train and will be joined Friday night in Cincinnati by the basket ball team of the university. They will go to Lexington, where they will play the State University Saturday afternoon.

PROFESSOR NOE AT CYNTHIANA H. S.

Professor J. T. C. Noe, of the Department of Education, gave the last of his course of lectures and readings before the Cynthiana high school Tuesday night. Professor Noe gave some of his own poems from "The Loom of Life" and the "Book of Esther." "My Own Evening," "Just to Dream," "Old-Fashioned Loom," "Old Spinning Wheel," "School of Skinny," "Dog Iron Days," "The Age Electric," "Redbird," "Bluebird," "Old Water Mill," "Old Drinking Gourd." From Esther: "Pilate's Monologue," "Esther's Monologue," "One-Armed Joe," and the "Moonshiners" were included in the lecture.

SEAGER-PARK

Mr. and Mrs. William Seager, of Hutchinson Avenue, Edgewood Park, Pittsburg, announce the engagement of their daughter, Miss Edna Mary Seager, to Wilbur Wesley Stevenson, of Wilkinsburg (Penn.), formerly of Fulton, Ky.

Mr. Stevenson was graduated from the College of Mechanical and Electrical Engineering with the class of 1911 and is now with the Westinghouse Electric & Manufacturing Company at Wilkinsburg, Pa.

The eight-weeks' practical miners' course began Monday morning with about fifteen in attendance. Others have designated their intention of attending.

CHEMISTRY STUDENTS ORGANIZE "FRAT"

Several of the chemistry students met last week and established a new fraternity, the Gamma Alpha Kappa, with headquarters at the Phoenix Hotel. The purpose of the fraternity is the advancement of chemistry and scholarship will be made one of the requirements for membership.

They will also petition the national fraternity of Alpha Chi Sigma for admission. The charter members of the fraternity are A. J. Kraemer, R. B. Taylor, E. J. Elmer, L. J. Heyman and C. W. Owen.

MISSES PAGE AND BEWLEY RESIGN

Miss Cornelia Page, clerk in the Purchasing Department of the Experiment Station, and Miss Louise Bewley, clerk to Dr. Garman, resigned from their positions April 1. Miss Page to take up a position with Hager & Stewart, lawyers at Ashland, Ky., and Miss Bewley to go home for a vacation. They were given a farewell luncheon by the girls of the station.

Miss Page has been succeeded by Miss Marie Heintz, and Miss Bewley by Miss Terry, from President Barker's office.

OHIO TO PLAY THE
T. U. BOYS TODAY

Ohio University vs. Transylvania at League Park, 3:30 today will be a merry scrap and Manager Wilhite expects to take the Ohioans into camp. "Sis" O'Reilly will be on the mound for the strong Crimson team. The T. U. line-up is: Myers, catcher; O'Reilly, pitcher; Hunter and Barclay, first base; Haney, second base; Arnett, C., third base; Arnett, R., shortstop; Williams, J., left field; Lykins, center field; Yarbrough, right field.

LAMED PE DANCE
IN ARMORY APRIL 10

The Lamed Pe (Masonic) fraternity will entertain with a dance Saturday evening, April 10, from 8 to 12 in the Armory. The Michigan and Kentucky teams are invited. The program will include six dances, all of which will be no breaks.

HIGH SCHOOL GIVES
ANNUAL MINSTREL

The High School Athletic Association will present its annual minstrel at the Ben Ali Theater tomorrow. The first act will be a musical production, entitled "The Southern Jubilee." The second act will be "Merry Monologue Moments," which is full of fun, and the third act will be a comedy entitled "Dent's Office Boy." The last act will be a cabaret scene.

Need Lumber? Good Lumber?

It is not alone necessary that lumber shall be good in the first place, but good lumber to retain its goodness must have proper care and attention.

Every stick of lumber that enters our yards is carefully handled. Some is stacked on sticks, some piled in open sheds and some put in enclosed buildings, according to the individual needs. So, each piece will reach you in the best possible condition.

You will find, here, lumber for any purpose from the smallest operation to any ordinary undertaking.
